

South Sound United League

Operating Procedures and Rules of Competition

(Revised 9/9/2021)

1.1 Introduction

- (a) In order to provide an environment under which the development of youth soccer players is maximized, the South Sound United League (hereafter known as the SSUL) has been formed to operate youth soccer leagues.
- (b) The SSUL and WYS Bylaws and Operating Documents are the governing documents. Modifications to the Operating Procedures and Rules of Competition have been made expressly for SSUL competition. The Operating Procedures and Rules of Competition contained herein shall govern the conduct of the SSUL.

1.2 SSUL Structure

- (a) The SSUL will play a traditional, fall season, September through mid- December. It is recommended that NO games be scheduled on the weekend after Thanksgiving Day.
- (b) The SSUL may offer other league seasons based on membership desires.
- (c) The league structure for each division is based on the number of applicants. If teams drop, the league will be played as scheduled with a 'bye' inserted where games were previously scheduled, unless a new team is inserted by the league placement committee

1.3 Team Eligibility

- (a) All teams must register by the deadline established by the League administrators. Applications and team payment will only be accepted through normal association procedures.
- (b) Teams must be in good standing with the League and their sponsoring Association. Fees and fines from the prior season must be paid before their application will be accepted.

1.4 Entry Forms and Fee

- (a) Team entry forms will be input into Affinity by the club or association representative.
- (b) Team rosters are not required at the time a team is entered. A separate deadline for roster input will be determined by the league.
- (c) Prior to the season, two (2) adult members of each team must have an account in Affinity to support team management to include schedule, field information, score reporting, and misconduct reporting.
- (d) The league will determine the league fee annually and provide to association members. Entry dates vary based on age and league. The dates will be posted on the league website.
- (e) If any team withdraws after a date defined by the League, the team's entry fee may not be reimbursed. If a team withdraws, it is not eligible for post-season tournament play.

1.5 League Standings/Tie Breaker

- (a) Three (3) points will be given for each win, one (1) point for each tie, and zero (0) points for a loss.
- (b) On rare occasions, teams in the same division will have less games than others during the regular SSUL season. When this occurs, we will calculate average points per game and add that number to the team's total points. This does not apply to games scheduled, but not played.

Example: TEAM-A has 25 points after the season completes and played only 10 games. TEAM-B has 26 point and played 11 games. SSUL would adjust points by adding 2.5 points (25 point divided by 10 games equals 2.5 points per game) to TEAM-A's point total. Using this system, TEAM-A would have 27.5 points (25 + 2.5) for the season and TEAM-B would remain at 26 points, thus making TEAM-A the first place team in the division.

- (c) Ties in divisional standings between two (2) teams will be resolved as follows:
 - a. Head to Head
 - 1. If head to head results do not decide a winner, then co-champions or co-runners up will be recognized.

1.6 Goal Differential Guidance

To support a positive experience for all teams, coaches are expected to encourage fair play and sportsmanship on match day. This includes being aware of the score and making adjustments to their team in accordance in order to maintain a maximum 6 goal differential. Coaches will contact the league at "info@ssul.org" any time there is a score line that exceeds 6 goals and provide an explanation as well as plans for addressing this in subsequent matches. The league will follow up with non-compliant coaches and clubs.

1.7 Recognition Awards

Recognition of first and second place teams will be accomplished through the purchasing of awards, budget permitting.

1.8 Rules of Play

Please see Rules Chart on last page for specifics

1.9 Player's Equipment

Each player shall have a number on the player's jersey. The number shall be affixed to the back of the jersey, clearly visible and a minimum of six (6) inches high. Each player on a team must wear a number different from the number of every other player on the team. Numbered jerseys for goalkeepers are optional.
